

## PRESS RELEASE

### Emphasys Software Acquires Software Assets from LSSI

**Miami, FL – September 28, 2010** – Emphasys Software (“Emphasys”) announced today that it has completed the acquisition of all related assets from Lender Support Systems, Inc. Servicer3D and Docs3D offer solutions for managing Mortgage and Loan Servicing as well as Mortgage Documentation Preparation. LSSI is the leading provider of Servicing and Documentation tools for the Mortgage industry.

“Emphasys is excited to expand its integrated offerings into the Mortgage industry with such a great collection of employees, clients and products” said Mike Byrne, Emphasys CEO. “Our focus on products that bring together the combination of real estate, financial and compliance made the Mortgage industry a natural next step for us as we look to offer our clients great solutions that help them drive their business”

Cary Burch, Chairman and CEO of LSSI stated: “Although the lending industry has had its challenges, we have been resilient due to our superior technology and stellar levels of customer service as performed by our employees. I am confident that Emphasys is uniquely positioned to build upon our technology platform and continue to serve our loyal customer base well into the future”.

Emphasys welcomes all Docs3D and Servicer3D customers to the Emphasys family of clients.
