**LSSI Announces New Global Headquarters**

**Poway, Calif., January 6, 2006** —Lender Support Systems, Inc. (LSSI) a leading provider of mortgage technology solutions and services moved into their new Global Headquarters located in Poway, California. The brand new 10,000 square foot facility will allow for more than 100 LSSI employees and is equipped with a customer training center, state-of-the-art computer data center and new customer support call center platform.

“Our tremendous growth has fueled our ability to expand our customer support staff and enhance our product development capabilities. Our commitment to reinvest into our infrastructure is key to providing superior customer satisfaction to our global customer base”, said Cary G Burch, CEO of LSSI. “We are strongly positioned to handle our accelerated growth and new product offerings”.

Since 1982, Lender Support Systems, Inc. (LSSI) provides regulatory compliance and mortgage technology solutions to more than 1,200 customers worldwide. LSSI’s solutions suite includes compliance services, document preparation software, mortgage servicing software, document imaging and BPO solutions for the mortgage lending industry. LSSI’s superior offerings and global reach continues to expand while serving a customer base in more than 15 countries throughout the globe.
